4. The Chief Financial Officer next gave his report. Mr. Smolder gave FY2018, FY2019 and FY2020 Year End Summaries then a FY2021 Year to Date Summary along with FY 2020 YTD comparison. Mr. Smolder then followed with the cash balance and remaining Fiscal Year Budget along with reports that are provided on a quarterly basis. Mr. Smolder also stated that BOP Safety Committee was placed on hold due to COVID19. Motion was made by Board Member Misiti to approve. The motion as seconded by Board Member Bowyer.
5. The General Counsel then gave his report. Mr. Hatfield stated that both subpoenas he had been working on were concluded. Mr. Hatfield stated that all legislative rules had been

submitted on time in accordance with the Secretary of State's requirements. Mr. Hatfield stated that discipline is up to date and there will likely be one to two hearings scheduled in the future. Motion was made by Board Member Rucker to accept the report. The motion was seconded by Board Member Skaff and passed unanimously.

6. The Director of Professional and Regulatory Affairs then gave her report. Dr. Capehart provided a summary of the work with the DHHR State COVID-19 Vaccinations Task Force to coordinate pharmacy involvement and access. She also is working with DHHR, National Guard and Retailer's Association to increase availability of COVID-19 testing at pharmacies if interest exists. There are opportunities for testing reimbursement and the need exists. Given the upcoming flu season and COVID-19 vaccine, Dr. Capehart presented that the American Heart Association has determined that their certifications are not to be extended past October 2020. 10. The Chief Inspector then gave his report. Mr. Robinette reported that due to COVID 19 inspections were suspended as of March 15, 2020. Inspections were restarted May 11, 2020 in concert with the Governor's phase in plan for businesses. Mr. Robinette reported that there were 210 inspections from March 11th through August 31st. Mr. Robinette reported that he reviewed a total of 179 suspicious order reports and followed up on 30 of them. Mr. Robinette reported that none of the follow-up inquiries suggested any concerns of diversion or other questionable or illegal practices.

While dealing with an issue related to a mail order sterile compounding permit renewal, Dr. Capehart discovered that no non-resident mail order pharmacy that performed sterile compounding had been evaluated and been licensed for sterile compounding according to Board rules. Following a lengthy discussion, it was decided that all non-resident mail order pharmacies performing sterile compounding must obtain a sterile compounding

permit and must be inspected in strict accordance with the inspection standards for West Virginia or have an NABP Verified Pharmacy Program (VPP) inspection. Mr. Robinette will work with Dr. Capehart and Michelle Pauley in notifying the affected pharmacies.

Mr. Robinette reported on an inspection of the Logan Mingo Area Mental Health Centers (LMAMHC) upon recognition that controlled substance permits were issued to each of the 3 facilities in the network but there was no consulting pharmacist of record as required by law. It was determined that there were several procedural practices associated prescription dispensing that were in conflict with Board of Pharmacy Legislative Rules and State Code. Donna Cooke, CEO for LMAMHC and Scott Brown RPh addressed the Board and presented a description of the patient population, the associated challenges, and an explanation of the dispensing policies and procedures. Following a lengthy discussion, Mr. Robinette would coordinate efforts to develop a revised set of policies and procedures for prescription dispensing to the remote centers and would provide a report to the Board at its December 2020 meeting.

Dr. Capehart, Don Klamut, and Mr. Robinette met at the Board office on September 4th for the NABP 2020 MPJE State Specific Review & Pretest Item Selection.

Seven candidates were interviewed for the inspector position. Mark Rubin was selected for the position and will begin his training.

Motion was made by Board Member Skaff to approve the report. The motion was seconded by Board Member Misiti and passed unanimously.

16. Motion was made by Board Member Bowyer to provide for a waiver regarding IV compounding which is needed for workflow changes to limit movement of personnel. The motion was seconded by Board Member Skaff and passed unanimously.
17. As part of his NABP update, Board Member Bowyer stated he was elected on Resolution Committee for NABP. One resolution to be considered would be requiring all states to use the NABP form regarding sterile compounding facilities.
18. The Legislative Agenda for next session was then discussed. The Board would like to address technological advancements in the practice of pharmacy. The Board needs to ensure the controlled drugs schedule bill passes next session. Finally, the Board would like to pursue changes to collaborative practice. Mr. Hatfield will schedule a meeting with BOM and BOOM and then hold a Legislative Committee meeting.
19. The next Board meeting will be held December 7 and 8, 2020. The next Complaint Committee meeting will be held November 17, 2020.
